Docket No. 2007-168-C - Application of New Dimension Communications, Incorporated d/b/a Fast Phones for Approval to Retain One Part Four (One Thousand-Block) in South Carolina

Mr. Terreni:

The Office of Regulatory Staff (ORS) has discussed this request with representatives of New Dimension Communications. We have learned that New Dimension proposes to deploy its own switching facilities. However, finalizing the interoffice trunk arrangements between the applicant's switch and the incumbent carrier's facilities has delayed the deployment of the assigned numbers. It is ORS's understanding that the resolution of the interoffice trunking issues is imminent. Therefore, the ORS would support a ninety (90) day extension of time for the company to deploy the number resources.

Sincerely

James M. McDaniel

Telecommunications Area
